## INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

## History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

#### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

 necessary to have a Lawyer.  
 You advise that Mrs +

 the roll of 1835 and ask to be  
 informed why we think they  
 were. You ask again who

Reasons:

Proof of genuine connection with the Eastern  
Cherokees insufficient. It appears that no ancestor  
was a party to the treaty of 1836. No ancestor was

Madam:-

You have on file in this office application #14005 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your grandmother being three quarters Indian. Please inform this office through which grandmother you claim--that is, your father's mother or your mother's mother. I cannot find the names of Pardue and Loggins on the roll of 1851. Please inform this office why your people were not enrolled in 1851.

Were your people descendants of Indians and White people or Indians and Negroes? Were your people ever held as slaves by Cherokee Indians or White people?

Respectfully,

Special Commissioner.

John Loggins, being first duly sworn, deposes and says:

My name is John Loggins and I reside at Lula, Ga., R.F. #1. I was born in Gilmer Co., Ga. in 1886. I claim relationship to the Cherokee Indians through my father, William Loggins, who was a half-blood Cherokee Indian. My father was born in Hall Co., Ga. in 1818. My father claimed through his mother, Dicie Loggins, who was three-fourths Cherokee Indian. She died in 1905 at the age of 122. My grandmother, Dicie Loggins, had two brothers, one named Zolus East and the other Pinkney East. My mother's two brothers, after her marriage, went with her father to Alabama and she heard from them up to the time that the Indians were taken out of this part of the country, since which time she never heard from them. My father was the only son, but he had five sisters, namely, Sally Loggins, who never married; Becky Loggins, who never married; Lizzie Loggins, who married Role Pardue; Nancy Loggins, who married Mat Kinsey; Eliza Loggins, who married Andrew Sears. Dicie Humphries (14005) is a daughter of Lizzie Pardue. My grandmother, Dicie Loggins, lived with us up to the time of her death; she always told us that her people were Cherokee Indians, and in fact she could talk the Cherokee language better than she could the English language; she could make almost anything out of straw, which she learned from the Cherokee Indians. Our grandmother has often told us about the time the Indians were taken away from this part of the country and that they couldn't take her, although she was recognized as a Cherokee Indian, because her husband was a white man. She never said she was not enrolled as an Indian. She never received any money or land from the Government, neither did my people. My grandmother was always looked upon as an Indian by her neighbors; our people have always been recognized as white people. We file herewith affidavit of Sam Loggins, J. L. Smallwood, Thomas A. Bell and Rebecca Loggins. I have here a photograph of my great mother which I show you and you can see the Indian features very plainly.

## GENERAL AFFIDAVIT.

State of Georgia County of Floyd ss.

In the matter of the claim of Colombus Culberson No. 14611 to share in fund appropriated by Act of Congress of June 30th. 1906 in favor of the Eastern Cherokee Indians.

ON THIS 27 day of March A. D. 1908, personally appeared before me, a

Notary Public in and for the aforesaid County, duly authorized to administer oaths,

Wilson M. Shropshire age 88 years, a resident of Rome,

in the County of Floyd and State of Georgia

well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows:

I am not acquainted with applicant but I know of him and his brothers  
[Note.—Affiants should state how they gain a knowledge of the facts to which they testify.]

and sisters. I knew his father Columbus Culberson and also knew applicant's grandfather, Martin Culberson.

I became acquainted with Martin Culberson about the year 1840 and knew him personally from that time until the year 1860 and in fact I knew him until the time of his death but after 1860 I was not so intimately associated with him. Martin Culberson was a descendant of the Cherokee Indians being  $\frac{1}{2}$  Cherokee Indian and the other part white or Caucasian blood. Martin Culberson, to my knowledge, claimed Cherokee Indian blood at the time when I first knew him and he was recognized, by the people that came in contact with him, to be of Cherokee Indian blood and the Cherokee Indians themselves who remained in Georgia, the mixed breeds and Cherokee Indians who went off with the Indians to the Territory upon visits from the Cherokee Nation to Georgia associated with Martin Culberson as a Cherokee Indian and recognized him to be a descendant of the Cherokee Indians. In fact all the Cherokee Indians that I ever saw where Martin Culberson was and those that I heard speak of Martin Culberson all recognized him to be a descendant of the Cherokee Indians and he was at least one fourth Cherokee Indian blood.

His complection, habits, facial marks and general demeanor was that of the Cherokee Indian. I knew quite a number of the Cherokee Indians before the were removed from Georgia to the Indian Territory.  
His Post Office address is Rome, Georgia.

He further declares that he has no interest in said case and is not concerned in its prosecution.

[If affiant signs by mark, two persons who can write sign here.]

And he was at least one fourth Cherokee added,  
and acquainted him with its contents before he executed the same. I further certify that I am in no wise  
interested in said case, nor am I concerned in its prosecution; and that said affiant is personally known to me, and  
that he is a credible person.

In person came Mrs. Caroline Savage, who being duly sworn, on oath says that she knew Dicey Loggins in her lifetime and has been acquainted with her since the year 1844, and that said Dicey Loggins claimed to be a cherokee indian, and deponent says that she had every appearance of being an indian. Lula, Georgia.

Sir:-

Replying to your letter of July 19, 1907, you are advised that your application for yourself and children has been received and placed on file.

The applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or state how much each successful claimant will receive.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your claim you will be notified.

Very respectfully,

NLC.

Sir:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. 14231... for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

These applicants claim that their ancestors were enrolled in '51 and other dates.

The names of none of the ancestors however appear on any Cherokee roll - either emigrant or Old Settles - under names as given. Claim to have been living East in '51.

Ascertains exactly where they were living in '35 and '51 and under what names they were enrolled.

Were they ever known by any Indian names or of so what.

Were not ancestors even prior to '35 living with, and recognized as, white people.

Madam:-

You have on file in this office application #14046 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father, Jim Walker, and your mother, Nancy Walker, nee Reece, stating that they were not born prior to 1851. You give the names of your grandparents on your father's side as Walker and Too-ny-yah, and your grandfather on your mother's side as Wat-tes.

I am unable to trace your grandparents on the roll of 1851 under the names as you have given them. Please inform this office how your grandparents were enrolled; under what names; and in what district. Had your mother or father any brothers or sisters? If so, are any of them now living? Who was Jennie Pritchett whom you have given as one of the children of one or two of your grandparents. Please furnish us with the name under which she has filed in this office and the number of her application.

Respectfully,

LBD/AIL

John Delaney,

R.F.D. No. 1,

Rockton, Wisconsin.

Sir:-

Replying to your letter of October 28, 1907, you are advised that it is now too late for adults to file applications. If your son is a minor you would be allowed to file an application in his behalf.

From your application it appears that your attorney is W. W. Waterhouse, of Oshkosh, Wisconsin, but this office cannot make any suggestions as to what fee you should pay him; that being a matter entirely between yourself and attorney.

Very respectfully,

Special Commissioner.

Gideon Miller Special Commissioner  
we all received the rejection  
to our claims will you please  
write me fully and plainly  
upon what grounds we are  
Rejected and what proof we have  
to Establish we can not give  
the Indian name of our  
ancestor because ~~we~~ I were  
but 16 years old when my  
grandmother died my Brother  
says he thinks the Indian  
<sup>name</sup> was kept by McLaughlin Revels  
among papers that was destroyed  
by fire of house burning down  
in 1880. Of course moving

around from place to place  
as they did. McCagah Revels  
and our grandmother his sister.  
We think McCagah kept all the  
records of the tribe among  
his papers. That was destroyed  
by accidently burning of house  
and we think the Indian  
name was. likely dropped and  
not adopted after the death  
of their parents and the  
tribe being separate and  
scattered. our grandmother  
Anna <sup>Revels</sup> ~~factos~~ McCagah Revels  
sister. and McCagah Revels lived  
and died right near us.

This neighborhood, and there are quite a number of people living around here that knew them both while living. This is as strong a proof as we can give of our ancestor with what proof there has already been filed. Hoping you will favor us with an early reply, and that you will explain to us so that we can understand. I have explained the facts to you honestly, and to the best of our <sup>own</sup> personal knowledge of the facts. So will you please

advise us of how our claim  
stands for we know we  
have a legal right to share  
in those funds. but our  
ancestor being dead and  
most of the oldest children  
of Mcgah Revels being dead  
we have a hard time to  
establish our claim aright  
so please favor us and

Residence:

Valley, Wis.

Reasons:

It appears from claimant's application and from that of her father Elijah Bass Jr. #17657, that her father, through whom she claims, was born in Granville Co. N.C. in 1835, & that her grand father was born in Virginia. It is claimed by Elijah Bass Jr. that his father was driven from Virginia in 1812. Neither the father nor grand father of claimant, through whom she claims, was enrolled with the Cherokees in 1835 or 1861. Nor does it appear that any of the family ever lived with the Cherokees. The Cherokees surrendered all their claim to lands in Virginia, in 1775, and Granville Co., N.C. was never a part of the Cherokee domain & fully 200 miles from Cherokee domain in 1835.

Locust Grove, Okla.

Madam:-

You have on file in this office application #14062 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father, Charlie Hillside, or Charlie Oo-law-cut-ter, and your mother, Sallie Oo-wa-ler.

I beg to advise that the names as you have given them do not appear upon the roll of 1851. Please inform this office under what names your parents were enrolled in 1851, and whether you have any brothers and sisters who were born prior to 1851 and enrolled with your parents. In what district were they enrolled?

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

the Old Nation. All her ancestors so far as I can remember are  
Emigrant Cherokees. All the ancestors of my wife have always been  
with the Cherokee tribe. None of my wife's parents nor did she ever  
receive any Old Settler money. My wife was enrolled and received  
the Strip Payment in 1894.  
I do not know any of the aunts and uncles of my wife on her  
father's side. Her aunts and uncles on her mother's side are Ia-chil-le

Madam:-

You have on file in this office application #14066 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your father, Reuben Darby, and your grandfather, Charles Darby.

I beg to advise that the name of Darby does not appear upon the roll of 1835 or 1851. Were your people Indians and Whites, or Indians and Negroes? Were you ever held as a slave by Cherokee Indians or White people? Were your people ever held as slaves by Cherokee Indians or White people?

Dear Sir:

The certificates sent me

entitling the minors: Emma  
(C) Caedrey and Belle (C)  
Caedrey to participate in  
the payment of the Eastern  
Cherokee Funds soon to be

lost. I sent those two  
certificates to the Office  
of the Commissioner to

the purpose of obtaining

a small amount due  
these minors for surplus  
share of land due these  
children (my letters of  
guardianship is still in  
your possession), and  
must have been mislaid  
by some of the Office force  
at Muskegon, as they can  
nowhere be found. Would  
you kindly send me  
two new certificates for  
these minors, as the pay-

Sir. I would like very much  
to know if I was enrolled  
as one of the Eastern Cherokees.  
I sent my application in  
about 2 years ago but have  
never heard from it yet. My

nee Sixkiller sent their  
applications the same time I  
did. and heard from them  
and will participate in the

Please let me know if I  
am enrolled and whether  
my son Paymond Ross  
will participate in the Eastern

is no reason why we should not

One David Fixing of Locust Grove, Okla. has filed in this office an application for Loonie Scar-gee-nee, who he says is feeble minded and unable to file for himself. This Loonie Scar-gee-nee is the brother or half brother of Sara Hogshooter of Maysville, Ark., who is enrolled by the Dawes Commission as No. 18610. We are unable, however, to find either David Fixing or Loonie Scar-gee-nee on the Dawes Commission roll. If you can furnish us with their numbers, please do so.

Thanking you, I am,

Very respectfully,

Special Commissioner.

Dear Sir:

Enclosed you will find  
my blank, and hope it will  
meet your approval.

I am <sup>now</sup> the great great granddaughter  
of Thomas Poindexter and Elizabeth  
Pledge or Pledger, <sup>great</sup> grand daughter  
of John Poindexter, grand daughter  
of Thomas A. Poindexter, and daughter  
of Margaret Poindexter, Trice.

They are all dead, so that  
leaves us four children as the  
legal heirs to <sup>part of</sup> the estate of the

Cherokee Indians.

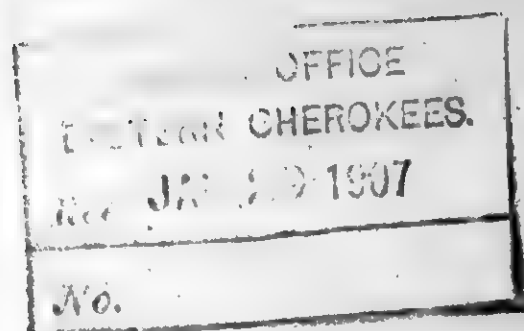

We think Elizabeth Pledge was one of the daughters of the Indian chief Donahoo.

There can be no mistake that we are related to the Indians as our forefathers have often spoke of it, and Elizabeth Pledge owned all the land up and down the Yadkin River once.

We are also related to the Pettets, Scotts, Samuels, and Thomases.

I do not want one cent unless it belongs to us, but if it does

I think we ought to have our part as we have tried <sup>so hard</sup> to get our blanks filled properly and according to law.

Please answer and do just  
what you can for us, and it  
will be very much appreciated  
Very respectfully,  
Fannie Fise.

R. F. D. No. 3.

Jan. 10, 1918.

Special Commissioner:

Dear Sir:-

Your letter rec.  
and in reply will just  
refer you to my blank  
which is No. 440.

My mother who was a  
Poinceter died when  
I was only eight years  
old and her parents &  
grand parents before  
that time.

So it is impossible for  
me to give the exact date  
of birth or death of any  
other of my relatives  
than the Poinceters.

We have the old family  
bible of the Poinceter's.  
I am the great great  
grand daughter of Bettie  
Pledge Poinceter who  
died about 1814 in Jackson  
Co. N. C.

I am related to the  
Scotts, Pettets, Samuels,  
and Thomases; the  
last mentioned was  
enrolled in 1833 to 1835  
or about that time.  
I am sorry I cannot  
give you more information  
but I filled my blank  
to the very best of my  
knowledge, and that

is the best I can do.  
I have one brother & two  
sisters viz Arthur, Lora,  
and Emma. I see, but  
guess you have their  
blanks. If there is any  
thing I can do to aid  
in getting this settled  
I will be glad to do it.  
I hope you will not  
have any trouble in  
finding out just how many  
of the Eastern Cherokee Indians  
we are descendants of.  
Looking to hear good news  
from you very soon.  
I remain respectfully,  
Fannie Sise.

Jefferson Allen, being first duly sworn, deposes and says:-

My name is Jefferson Allen; I am 50 years old. I am a full blood Cherokee. Both of my parents were migrants. At the time of the enrollment of 1851 my father and mother were living together; my fathers name was Allen; I do not know what my fathers given name was. My mothers name was Jin-nih or Jennie. All my brother and sisters were born after the enrollment of 1851. I was born after 1851; my parents ~~must~~ have been living together in 1851; my mothers fathers name was Oo-wah-huh-tih, and my mothers mother was named Sallie. My mothers oldest brother was Dirt-thrower or Gah-duh-oo-da-ke-- the next, a sister, Dah-ne, who now goes by the name of Jennie Quire. Her P. O. now is Oknee, Okla. Jennie, my mother was the oldest child; she had a different father from her brother and sister; Dee-guh-nah-tee-skee was the father of Jennie. I do not know whether he was living in 1851 or not; ( Oo-wah-huh-tih had a son living with him in 1851 by the name of Stephen. His wife Sallie had a son by the name Adam, or Adamih by another man, but he was living with her in 1851. Oo-wah-huh-tih means floating down stream or Goingdown ( See Sal. 265 ) For claimants mother see Sal. 363 ) I have a daughter by the name of Sarah Allen, who is unmarried. She lives with me. I have another child, a boy named Aaron. They are the only two children I have. See Daws Commission rolls #18590 to #18593 .

Oce High, being first duly sworn, thru his Interpreter, Tom Roach, deposes and says:-

My name is Oce High / I am a full-blood Cherokee. I was born in Saline District, 1883. I was not enrolled by the Dawes Commission. I was opposed to the allotment. My father's name was Jack High and my mother's name was Jennie High. Their Cherokee names were Gah-lun-dih and A-dah-wih or Jennie Walker. My parents were not enrolled in 1851. They were not living at that time. I do know the names of any of the aunts or uncles on my father's side who were enrolled in 1851. I do not know the names of any on my mother's side.

My grandparents on my father's side were Gah-lun-dih and I do not know the names of my grandmother on my father's side. My grandparents on my mother's side were Walker or A-dah-wih and Gaw-lee-cheh. My grandparents were enrolled in 1851 and drew the Emigrant money. I do not know where my grandfather on my father's side was enrolled. I do not know where my grandparents on my mother's side were enrolled in 1851. I think that probably they were enrolled in Delaware District.

I do not know where my grandparents were born. None of my grandparents were old settlers. I know they were not Old Settlers for they drew the Emigrant money in 1851. All my ancestors have always been with the Cherokee tribe. I was enrolled and my parents drew my share of the Strip Payment in 1894.

I do not know the names of any of my great aunts or great uncles.

Cho-sah-yih or Josiah might have been living in 1851. My mothers parents were A-daw-ih and Caw-lee-ohch or Gaw-lee-ohch. My mothers parents were not married in 1851. My grandfather was living with another woman, Achinne, in 1851.
